Welcome to an exciting new 2010 season

At Camp Beaumont everyone is already preparing for our 2010 season! We want to invite your child to come and have a fantastic adventure, sport or language holiday and explore a bit of Britain along the way. Every year hundreds of children from all over the world join thousands of young English people at our 6 UK adventure camps. We pride ourselves on being very different to a regular language school, combining structured English language programmes with thrilling adventure activities like Climbing, Kayaking & Quad Biking and specialist holidays like Watersports and Horseriding, in a safe, secure and fun environment.

CAMP BEAUMONT

English Language, Sport & Adventure Holidays for 7-17 year olds
