Our Foundation and Pre-Master's programmes explained

Our College environment

Our Foundation and Pre-Master's programmes are some of the most intensive and satisfaction-driven courses available in the UK.

These are one-year programmes for international students designed to prepare them for study and life at top UK universities.

Students can study in one of two learning environments: either in one of our sixth form Colleges, or on-campus at one of our partner universities. Each of these learning environments has its own distinct advantages, and will suit different types of students.

When students successfully complete their University Foundation course, they are guaranteed entry to a wide range of top universities in the UK. For a list of our university partners, please go to www.ceg-uk.com/partners

Subjects studied: 3-4 subjects, plus English.

Assessment: Coursework, externally moderated examinations and IELTS testing.
